

Swimming Attire

Proper swimming attire is required when swimming at the Genoa Pool. Street clothes are not allowed.

APPROVED AQUATIC ATTIRE

NOT APPROVED AQUATIC ATTIRE

APPROVED AQUATIC ATTIRE IS DESIGNED TO HELP REDUCE THE TRANSMISSION OF BOTH AIRBORNE AND WATERBORNE CONTAMINANTS INTO THE POOL. LIKEWISE, WEARING PROPER ATTIRE HELPS REDUCE THE AMOUNT OF UNWANTED AGENTS INTRODUCED INTO THE WATER THAT CAN AFFECT THE CHEMICAL BALANCE OF OUR FACILITY'S WATER SUPPLY. COTTON MATERIALS AND OTHER ABSORBENT MATERIALS CAN CAUSE CLOGGING OF THE FILTRATION SYSTEM AND REDUCE THE EFFECTIVENESS OF POOL MAINTENANCE EQUIPMENT, SUCH AS THE POOL VACUUMING SYSTEM.
